

# FOOD FAIR

On the weekend of **26 - 27 May** there are a number of events taking place in **Waikerie** in conjunction with the SA History Festival.

The Rotary Club is holding its **Food Fair on Sunday 27th May** from 11am and the 'Jammers' have been invited to be one of the groups involved in providing the entertainment. Sixteen very keen members have put up their hand and are excited to be taking part.

We will also be running an ongoing Ukulele Workshop leading to a performance in the mid afternoon.

I'm sure the support of other U3A members would be very welcome. **Why not enjoy a weekend away or a day trip and experience a new environment along with us.**
