

FRIDAY FORAY – APRIL 14TH

Enjoy the gardens of Government House

This summer and autumn, our patron, Her Excellency the Governor is opening the grounds of Government House for everyone to enjoy their lunch picnic-style on the lawns. The grounds will open on the first Friday of each month with free live music from a variety of local musicians. Visitors are invited to explore the Government House gardens and bring their own food, beverages, chairs and picnic rugs.

For garden enthusiasts tours of the garden will be conducted by guides from the Botanic Gardens of Adelaide. Participants will learn about how the garden has developed over time, its oldest trees, the history of its statues and sculptures.

When: 14 April 2023. Corner North Terrace and King William Road.
